THE SMART CITY NASHIK HUB

Smart City
MISSION TRANSFORM-NATION

OBJECTIVES

01 Make it easier for tourists and residents to find important city information in one app.

02 Offer step-by-step navigation to popular places and services in Nashik.

03 Ensure users can quickly find nearby hospitals, hotels, restaurants, and public transport options.

04 Create a user-friendly interface that can be easily used by people of all ages.

05 Support future updates to add more features as the city grows and user needs evolve.

06 To streamlining urban navigation and enhancing resource discoverability

ABSTRACT

THE SMARTCITY NASHIK HUB IS A NEXT-GENERATION MOBILE PLATFORM DESIGNED TO ENHANCE THE URBAN EXPERIENCE FOR BOTH RESIDENTS AND TOURISTS. IT ADDRESSES THE COMMON ISSUES OF FRAGMENTED SERVICES AND INEFFICIENT NAVIGATION FOUND IN EXISTING CITY GUIDE APPLICATIONS BY INTEGRATING MULTIPLE CITY SERVICES INTO A SINGLE, COHESIVE PLATFORM. WITH MODULES COVERING TOURISM, PUBLIC TRANSPORT, HEALTHCARE, AND LOCAL SERVICES, THE HUB PROVIDES REAL-TIME INFORMATION AND PERSONALIZED RECOMMENDATIONS, MAKING CITY EXPLORATION EASIER AND MORE ACCESSIBLE. BY STREAMLINING URBAN NAVIGATION AND ENHANCING RESOURCE DISCOVERABILITY, THE SMARTCITY NASHIK HUB SETS A NEW STANDARD FOR SMART CITY APPLICATIONS.

FUTURE SCOPE

FOR FUTURE WORK OR OUR MAJOR PROJECT -
WE WILL BE PROVIDING MORE CITIES
A SEARCH BOX WILL BE ADDED SO THAT THE USERS CAN SEARCH THE REQUIRED CITY
DETAILS OF CITIES WILL BE STORED IN THE DATABASE TO FETCH THE INFORMATIONS ABOUT THE CITY
